**NEWS**

**More than 200 Meteor Lights Will Shine on the National Mall in Oct 2009**

Meteor Solar LED lighting is the only lighting company to be chosen as a sponsor of the Department of Energy's Solar Decathlon 2009. More than 200 Meteor solar LED lights will be installed on the National Mall in Washington D.C. this October.

**Meteor Lighting Awarded "Most Innovative Lighting Product" in IGDA Awards.**

Meteor Solar LED lighting is honored to be the winner in Lighting category of New York House Magazine's inaugural Innovative Green Design Awards (IGDA) competition. Meteor accepted the award on June 16 at the Jacob K. Javits Convention Center, NY.
