ILOS Corporation, Meteor Lighting is the only lighting company to be chosen as a sponsor of the Department of Energy's Solar Decathlon 2009. As a result, 105 Meteor Solar LED lights will be installed on the main thoroughfare in the National Mall in Washington DC this October. Other sponsors of this event include BP and National Geographic. This year's event will take place on the National Mall in October. In line with the patriotic theme, red, white and blue Meteor Solar LED lights will be on display.
